## Kazakhstan News Alert: State of Emergency Amid Protests

Please find the following news links regarding the crisis in Kazakhstan. What is happening is a tragedy, and many people have been killed by the police and military. Vladimir Putin is now sending troops to Kazakhstan, to protect the kleptocracy, nepotism, and corruption that has been rampant for the last 30 years of rule by President Nazarbayev and his family. We are seeking support from Congress to help stabilize and deescalate the violence ongoing in Kazakhstan.

Please feel free to reach out to us regarding this situation. Thank you.
